To whom it may concern

Refer: Sign City

I have been dealing with Alex from Sigh City for the past 10 years - we are running a large fleet of vehicles. He is always willing to assist at short notice and his attention to detail is highly recommended.

His professionalism, layouts and designs are off a very high standard.

Alex from the team at 24/7 Security Services thanks for the high level of service you render and that you assist us at any time, when needed.

I would recommend you to any client and look forward to working with you for many more years.

Regards

Andre Viljoen
