Dear Alex,

RE: EXCELLENT SERVICE

I would like to thank you for the excellent service you have been providing us for the past few years. Not once have I had any come-backs from customers and this just comes to show that you take extreme pride in your work.

My fleet customers are extremely impressed with the high level in graphics, quality and service that you offer and it gives me peace of mind knowing that you are always able and willing to assist when needed.

Thank you once again for your service.

Kind regards,

Claudette Lotter
