To whom it may concern

Ref: SIGN CITY

We at Royal Panelbeaters find working with Sign city, we have never had any issues, there service is great, the work is completed satisfactory and we never have a problem with them.

We have never had any comebacks from our clients. Sign City is professional and does a great job. We are very happy with their work.

We look forward to a continued excellent and long term relationship for many years to come.

Kind regards

Fernando Ferreira
